**CHOOSE
TO
Reuse**

We collected nearly 600 items!

A black silhouette of a delivery van with a large white heart on its side.

You helped us rehome
over 1,400 items!
Remember, Reuse rules!

In Feb we saved over 13,500Kg from being sent to
landfill!

What does that look like??
Imagine around 438 average armchairs!

Our fantastic volunteers gave
us over 260 hours of their time!
A big thank you to them!
