

Age Friendly Island Charter

Older people have the right to

Inclusion

Access and enjoy the same opportunities as others, so strengthening relationships within the Island community.

Participation

Live, work and enjoy leisure activities as anyone else. The wider Island community recognises the skills and assets that older people bring.

Confidence

Live independently in their home and community. When needing support, older people should have the confidence that they will be heard with respect.

Health and Wellbeing

Live well by having choice and access to services which enable them to lead fulfilling lives and age well.

Contribution

Influence and shape decisions that affect all aspects of their life and the Island community.

The Storeroom will:

- Treat older people with the dignity and respect they deserve.
- Provide support and access for older people without exception.
- Provide an all-inclusive, age friendly community asset that improves confidence, combats loneliness and improves health and well-being.
